Missionary's Message

Hasn't Fall been wonderful this year? Maybe it is me, but it seemed that everything was just a little more colorful than usual. I hope you had the time to see and thank God for His beautiful creation.

Our Disaster Relief training went well. If you missed it, there will be other opportunities to get it later. Watch the newsletter.

Had a great time at our Evangelism Conference. Thanks to Arley First Baptist, pastor Roger Houston, and music director Adam Rogers for their wonderful hospitality. If you missed it, you missed a great time!

December is almost here and a lot of things are happening both in the churches and the association. Our pastor\ministerial staff and spouse annual dinner will be on Friday night, Dec. 2 at the office. Make sure to get your reservations in for this time of fun, food, and fellowship. I look forward to this time every year. The Lottie Moon Christmas Offering for foreign missions is also underway. Be sure to promote this in your church and give so that the Gospel can be sent around the world.

If you need help with promotion or if you need a mission presentation, we will be glad to help. We also have others in the association who would be glad to come and share their mission experiences with you. Just give us a call. Guess I had better go for now. God bless you.
